### Location/Description

The project is located in Fargo, N.D., along the west bank of the Red River of the North. This is on the north side of Fargo and provides protection to the portion of Fargo between 15<sup>th</sup> Ave. North and 22<sup>nd</sup> Ave. North and the Veterans Administration hospital.

### Status

The city of Fargo by resolution dated June 1, 1998, requested the US Army Corps of Engineers to conduct studies to determine the feasibility of developing a small flood control project along Elm Street and Woodland Drive NE. A Federal Interest Report is underway and is scheduled to be complete in June 2001.

### Authority

The authority for this project is provided by Section 205 of the 1948 Flood Control Act, as amended.

### Fiscal

The Federal Interest Report is 100 percent federal cost and is limited to no more than \$100,000.
